## Chapter 1 by Xbubbles2121

He is dead now.

## Chapter 2 by SaintSayaka

He was a popular Facebook user, last seen sometime last June and only turning up a few months later in the Bronx River.

Perplexing.

## Chapter 3 by Jess

It was odd.. How this felt.

I had always understood yet.

Why did I feel this way?

I pushed my glasses to the bridge of my nose and leaned against the wall in my apartment. The view outside was lovely.

Somehow not fitting the situation.

He wasn't anyone I had romantic feelings for.

I kept telling myself that.

It was getting late. My thoughts would be better put to rest for now.

I plopped onto my bed and didn't find a comfortable position.

But my thoughts didn't rest.

I couldn't shake this unfamiliar feeling.

And not being able to pin it?  
It hurts.

One day I'll figure it out.  
Until then, I'll have to at least find out who killed him.

Then I'll kill *them*.

#### Chapter 4 by KRISTEN\_WINTER

But how?  
I'm just a silly 20 year old girl.  
I can't even plan properly.  
Still.  
I have to do this.  
They can't get away with this murder.  
No matter what.

#### Chapter 5 by KRISTEN\_WINTER

I've got a list of possible suspects.  
It's just that there's at least 20 of them.  
Blake was a curious guy and as a result he earned himself a lot of enemies.  
I need help but who can i go to?  
My brother? No, he would be too busy partying to care.  
My best friend, Mitchell? He would do it but my time would be spent just trying to convince him.  
I could go to a private detective as long as he doesn't go to the police.  
I looked up online for a suitable detective agency. I found one half an hour called  
"Colby&Curby's Detective Agency"
